Dear Student,

As UNH moves to remote learning for the rest of the spring semester all on-campus residential communities will be closed. We recognize that this is an inconvenience for all of you and your families. Your health and well-being remain our top priority and we have worked to develop a move-out process that accommodates your concerns and ensures the safety of the greater community. Please be mindful of the best public health advice and implement social distancing to minimize contact with others in the town of Durham and on campus.

We are asking students to move out by March 30, 2020. Please read this message carefully. The following instructions were designed in a way that enables social distancing and ensures the well-being of everyone involved.

In an email later today, every student will receive a link to schedule a specific time to retrieve their belongings. In line with recommended CDC guidelines, we will limit access to two-hour move-out time blocks for 10 students per building. Please understand that the move-out time frame you select is strict and we ask you not to come to campus at any other time than the one you select. Please have as few people as possible with you to assist.

We recognize this has been a challenging and difficult time for everyone. We thank you for your patience and understanding as we navigate these unknowns together.

More information and FAQs can be found on the Housing and Residential website (www.unh.edu/housing/covid19-housing-faqs).

Best Regards,

UNH Housing
