SIGN-UP FOR 2019-2020 UNH HOUSING IN TWO EASY STEPS!

the online housing application is THE PLACE for all sign-up actions. Access it via www.unh.edu/housing/returners

1. complete an online housing application

If you are a current resident and wish to return to on-campus housing for the 2019-2020 academic year, apply beginning on Friday, Feb 1 at 8:00am. You must complete the application by Wed, Feb 20 at 4:30pm.

No Deposit Required
Instead, if you reapply to live on campus for the 2019-2020 year and later cancel that commitment, you will be charged a cancellation fee. View the cancellation fee schedule in our Room and Board Agreement.

2. select a space during the online selection process

- Tuesday, Feb 26 - if you are staying in your same residence hall (you need to select even if you are staying in your same room!)
- Tuesday and Wednesday, March 5 & 6 - if you are moving to a different residence hall
- Thursday, March 7 - Monday, March 18 - if you want a random roommate (we call this partially filling a double room)

01 DEADLINES

We are serious about them. Wednesday, Feb 20 at 4:30 is the deadline to complete your housing reapplication. Don't miss out on the opportunity to have on-campus housing for 2019-2020 by not completing the easy & less-than-three-minutes-to-complete housing application. Seriously!

02 BLOCK HOUSING ANYONE?

Have a group of friends (6-12), want to live next to each other (on the same hallway), AND want a guarantee of those spaces? Block Housing may be just the ticket! Check out this really cool housing option at www.unh.edu/housing/block-housing

03 ON-CAMPUS APARTMENTS INTEREST?

Even tho' most spaces in our on-campus apartments were selected during the recent Call Dibs sign-up process, we are still accepting applications for the apartment waitlist. If you are interested, visit the Call Dibs website and send us an email.

04 HOUSING SIGN-UP KNOW HOW

We've got a great website with lots of information on the workings of the sign-up process, how to form a housing group with your roommate(s), how and when you will find out your exact sign-up time, etc. With so much to know and ponder, what are you still doing reading this?
