If approved, would you like Housing to request that Dining cancel your Fall 2019 meal plan?

- Yes, please request that Dining cancel my meal plan.
- No, do not cancel my meal plan. *(If you decide later to cancel or change your meal plan, you must contact Dining directly).*

I attest that the information I have provided in this petition request is accurate and complete to the best of my knowledge. I understand that I am not approved for release from Housing for Fall 2019 semester unless/until I receive written approval from the UNH Housing Department. I understand that if approved I may be subject to the Cancellation Fee as outlined in the Room & Board Agreement.

*Students who leave campus housing but then wish to return must submit a housing request through our website, here, [http://www.unh.edu/housing/transfer-readmits](http://www.unh.edu/housing/transfer-readmits)*
