With Halloween around the corner...

The Gables is committed to being a safe and inclusive community for every member, and we're SO glad to see that reflected in our residents! If you plan to celebrate Halloween this year, be mindful of the costumes you choose to wear, take initiative to educate yourself, and be an advocate on campus.

What is Cultural Appropriation?

- The taking - from a culture that is not one's own - of intellectual property, cultural expressions or artifacts, history and ways of knowledge.
- Any instance which means commonly associated with and/or perceived as belonging to another are used to further one's own ends.

Before purchasing a costume, ask...

- Is this costume based on someone's race, ethnicity, identity, or culture?
- Does my costume use stereotypes to make a joke or be sexy?
