Meet the Staff
Welcome to the Gables!
2019 Move In Map

Saturday, August 24th is our large Move In day! When you arrive to A Lot, our staff will be available to check you in right at your car. After you get checked in, you will be sent up to your unloading zone. We will have moving carts for you to borrow & lots of staff to help out. We can't wait to see you!
NEW! Gables Key Opt-In Process

Based on student feedback, we have made bedroom keys at the Gables optional this year. You will NOT be automatically issued a key when you check in this fall. Our hope is to simplify things for Gables residents and avoid charges for lost keys. Your ID access will be turned on and your bedroom door unlocked. If you think you will use a room key, follow the directions below to opt-in during move in!

To Opt-In...

- After you finish unloading your vehicle and bringing all belongings to your apartment, head over to the Gables Office, located on the first floor of B Tower.
- Please have your student ID ready. Our Mailroom Assistant will walk you through the process of opting-in.
- Once you have completed the opt-in process, you are responsible for your room key for the duration of your residency in the Gables. You must return the same room key upon moving out. Please note that lost keys will result in a re-core charge.
- If at any point this year you decide you no longer wish to have a room key, bring your key to the Gables Office to opt-out.

PLEASE NOTE: If you decide to opt-in and get a room key, your roommate is NOT required to also opt-in. However, we strongly encourage you to have a conversation with your roommate about this decision.

Move in Times!

Saturday 8/24
9am-5pm
This is the main Move In day for the Gables. We'll have extra staff around to help you and plenty of moving bins available to make your move extremely smooth!
Report to A Lot to start the check in process!

Sunday 8/25
9am-5pm
If you can’t make it to Move In on Saturday, feel free to come on Sunday!
Report to the Gables Community Center to start the check in process

What to Pack
CLICK HERE to see a great list of what to bring!

Don’t Forget a few essentials:
- Toilet Paper
- Shower Curtain
- Microwave
- Kitchenware
- Dish soap
- Dishwasher detergent
Please Note

If a power outage or other emergency should occur on campus during the academic year, your apartment managers will communicate any important information with the community via email. Please be sure to check your email frequently!
