Trash 2 Treasure

HEY WILDCATS, WELCOME TO

TRASH 2 TREASURE

We are a student-run social enterprise dedicated to reducing waste on campus and the surrounding community.

THE PROBLEM

There are too many perfectly good items that get thrown out at the end of the year and we don’t want them to end up in a landfill.

OUR SOLUTION

At the end of the year, we collect donated items around campus and sell it back to students and community members for a really great price at a huge yard sale during the move-in weekend in August!
Trash 2 Treasure

HOW YOU CAN HELP

If you have unwanted items in good condition, please donate them! Starting on May 8th, we will be setting up drop off locations and will be collecting items through May 20th. If you live on campus, there will be bins at central locations in every residence hall. If you live on off campus housing, you can schedule a pick up appointment with us, find the link on our Facebook page @unhtrash2treasure!

** We do not accept mattress pads, bed frames, half eaten food or undergarments! **

VOLUNTEER!

We need motivated volunteers to help us make UNH a more sustainable place! This is an amazing opportunity to meet like-minded individuals, accrue service hours and get late move out from on campus housing AT NO EXTRA CHARGE! We are always looking for help with collections and the sale, sign-up with the link below to attend our orientation on April 28th.

Additionally, the Woodside staff will be collection unopened non-perishable food items at the mailroom through closing.
