### What is Snack Cart?
Snack cart is when the CAs come around to each floor with free snacks to give away! All you have to do is come into the hallway on your floor when you hear “Snack Cart!” outside your door.

### WTF is WTF?
WTF or What’s This Friday, is a weekly program design for YOU to get to know one another and have a good time. Food will always be served! These are held from 8-10pm in the 5th floor lounge.

### What is Hall Council?
Hall Council is a weekly meeting of residents who have something to say about ATW’s maintenance, housekeeping, or social programs. Join us any time.

Special This Month
Halloween and Heating the Hall

As Halloween approaches and everyone begins picking out their costumes, it’s important to remember cultural appropriation and the role it all too often plays in this holiday. Click the picture to learn more about cultural appropriate and the role you can play in preventing it.

Starting in October, UNH will begin the process of turning on the heating systems in the residence halls. Maintenance personnel will visit each building and sometimes even each room to determine if the heat is working.

ATW Hall Council
Giving Back to your Hall

What is Hall Council?
The Hall Council is responsible for helping to create some fun social programming throughout the semester and serving as the resident representatives to both the CAs, your Hall Manager and all of housing. This is a great opportunity to make sure resident voices are heard regarding issues involving quiet hours, snack cart, programming, policy enforcement, rules & regulations and even more.

Why should I join?
- Meets requirements for UNH’s ASP
- Qualifies as community service for Greek Organizations & Other Student Clubs
- Looks great on a resume
- Develops leadership experience and enhances student connections
- Helps develop skills necessary to be successful in the RA/CA role on campus

Meetings are every other Sunday @ 8pm!
