Happy October, Babcock!

The Fall is one of the best times of year in New England! The leaves start changing to vibrant colors, and there are lots of fun Halloween-themed activities to attend! I know that this is the month where course-work really starts to pick up, but it is important to keep some time for yourself to enjoy the world around you.

-Your Manager, Austin
## THIS MONTH @ BABCOCK

### What is Snack Cart?
Snack cart is when the CAs come around to each floor with free snacks to give away! All you have to do is come to the lounge on your floor when you hear “Snack Cart!” outside your door.

### What is Coffee Cart?
Coffee cart is essentially the same thing as Snack Cart, but this time the CAs will be giving out free coffee, tea, and hot cocoa instead! We ask you to please bring your own mugs!

### What is Hall Council?
Hall Council is a bi-weekly meeting of residents who have something to say about Babcock’s maintenance, housekeeping, or social programs! Everyone is welcome, even if you can only make it for part of the meeting time!

</table>
My father taught for a time at University of Notre Dame. I studied mechanical engineering at Manhattan College in Riverdale, NY and enlisted in the US Navy after graduation. While in the navy I piloted submarines, and was afforded an opportunity to apply for the hydronaut program. As a hydronaut, I piloted subs as far down as 15,000 feet deep.

After my time in the Navy, I worked for several engineering firms, providing designing and consulting services for the Navy submarine programs. In 1995 I decided to leave the submarine engineering world to start my own business, PC Teacher, INC. This business was an on-site tutor for individuals and businesses, operating out of my home in Rochester.

In 1999, became a member of the adjunct faculty at NH Community Technical College in Laconia. In 2012 I started working for UNH Dining, working in Philbrook Dining Hall. I became a full-time employee of UNH in June this year, where I now work for the Housing Department.

I was born and raised in New Britain, CT. After graduating from high school I worked at Thoroughbred Racetracks for 18 years. Then I went to Quinnipiac College and received my degree in Respiratory Therapy and worked as a Respiratory Therapist for 18 years.

I have been working at UNH for three years. I volunteer at Cornucopia Food Pantry here in Durham. I enjoy activities such as reading, swimming, and horseback riding. I have competed in national swim meets and have placed in the top 10 in New England. The greatest thrill was getting second place at nationals in a swim relay with my mother.

Now I am a member of NE and NH Horse and Trail, and I enjoy trail riding. I have a horse named Weasel, and we travel to an organized trail ride on a weekly basis. In our younger years, we competed in rides, winning both 25 mile rides and placed 4th in the 50 mile ride. Weasel and I have lived in Barrington for 13 years.
BABCOCK ETIQUETTE

SMOKING

- Don’t forget, we have a smoke-free zone around Babcock! In the courtyard, we have a picnic table and lawn chairs that people can smoke at! These are the ones by the volleyball court.
- Everyone has been really great with this so far, so let’s keep it up Babcock!
- If you happen to be smoking outside at night, please remember that people are trying to sleep and to keep the noise down!

BATHROOMS

- Babcock is our home. Please respect it, and make sure to do what you can to keep it clean.
- Keep the trash from your room out of the bathroom trash. Food trash rots in that warm, wet air. If personal trash continues to be a problem, trash cans will be removed from the bathrooms.
- Remove hair from the shower and sink drains every time you use them.

KITCHEN & KITCHENETTES

- Wipe down the counters and the inside of the microwaves every time you use them.
- Don’t store any food, oil, or spices in any of the cabinets or on the shelves! They will be discarded.
In Need of Assistance?

Babcock Duty Phone: 603-817-9316
Police: 9-1-1
Health and Wellness: 603-862-9355
Psychological and Counseling Center: 603-862-2090
SHARPP: (Sexual Harassment & Rape Prevention Program) 603-862-7233

-CAs can be found in the office Sunday-Wednesday from 5pm-9pm

Locked out? 603-862-2120

Maintenance

Non-Emergency Maintenance:

www.myunh.edu
1. Search “Housing” on the top bar
2. Click on “Housing-Living In Wildcat Country
3. Sign into your UNH Account
4. Click on the “Maintenance Request” tab
5. Enter the information as prompted

Emergency Maintenance: 603-862-1437

Mail

All mail goes to Granite Square Station in the Memorial Union Building (aka GSS in the MUB)

Find your mailing address at www.my.unh.edu
Follow this process:
Login, Webcat, Personal Information, View UNH Durham Granite Square Station (GSS) Mailbox Address
Babcock Heat

Starting in October, UNH will begin the process of turning on the heating system in the residence halls. Maintenance personnel will visit each building and sometimes each room to determine if the heat is working on each floor.

1) Turn Heater On (Push In Switch “I”, “On”, or “Heat”)
2) Turn the Dial to the Right (Not All Heaters Have a Dial)
3) Wait, Heaters Take a Few Minutes to Start

Heaters Run On a 15-Minute Cycle
(Air is not constantly coming out of the heater)

Make sure windows are closed and locked tight to keep cold air out, particularly when leaving for the day or weekend. It may be warm when you leave, but it could get cold while you’re away. Plus, the room will take longer to heat up when you return.

Please be aware that if any interior pipes freeze because of a window left open, you are responsible for the resulting damages.

Fall Foliage Guide

Check out the foliage tracker for New Hampshire at: https://www.visitnh.gov/foliage-tracker
Think about taking a trip to do some “leaf peeping”!

Mount Washington (above) Franconia Notch (right), and Lake Winnipesaukee (far right) -all in New Hampshire-
AROUND CAMPUS
