SUMMER 2017

Happy Summer, Forest Park!!

What a year it has been! Now I know you're all either working or have academic commitments, but don't forget to enjoy the summer time! The campus is quieter, and with the sunshine and warm air outside, it's the perfect time to enjoy the outdoors in New Hampshire! Take some time to relax and refresh yourself before Fall starts back up. Check out the rest of the newsletter for some summer fun ideas!

This is my last newsletter to all of you, so thank you for making my experience working here over the past year so special.
