PLAN AHEAD NOW!
AVOID ISSUES LATER!

YOUR MANAGERS, DONNA & GREG
This year we will be trying to reduce waste by offering alternatives to throwing away items that could still be used by others.

During the month of May, the Gables will be collecting for Trash to Treasure in the Gables Community Center. We will be asking for items such as clothes, mini-fridges, futons, mirrors, fans and anything else in good shape. Start thinking about the things you want to donate now so you can be prepared.

NO LARGE DUMPSTERS
In the past, you may remember large dumpsters appearing at the end of the year. This year we have decided not to have them. To help reduce a lot of trash at the end of the year, we will be recommending days each building should clean out their fridge and bring down non-perishable food to the Gables Community Center.

INSIDE GABLES
- THE EARTH -

SUSTAINABLE GABLES

Below are some quick tips for shedding your stuff in an earth-friendly way.

START SCALING DOWN EARLY

Instead of throwing away / bringing home a ton of half-used bottles of soap and shampoo, why not plan ahead? In the last few weeks, don’t buy anything you can’t use up before you move.

DONATE TO TRASH 2 TREASURE

There is literally an organization on campus that takes your unwanted items and keeps them from going to the landfill. Why wouldn’t you use this?!?!

RECYCLE!

Those green dumpsters outside are there for you! Recycle what you can, and do it early, to avoid the last minute rush job everyone does in May. Remember: No plastic bags!
