Login to the Parent Portal at MyUNH/Blackboard

To access Parent Portal services, you must login to the Portal through the MyUNH tab. Note that before logging in you must have first activated your account (through the LOGIN HELP tab).

1. Point your browser to **MyUNH/Blackboard** at [https://blackboard.unh.edu/](https://blackboard.unh.edu/)

2. Locate the **Login Here** box, and click the **Login** button.

3. You will see the **Single Sign-On** screen.

4. Enter your Parent Portal **Username**. Then press the **Tab** key, and enter your case-sensitive permanent **Password** (the one you created during account activation). Then press the **Login** button.

5. You will see the **UNH Parent** tab, which will display a number of informational boxes.

6. Look for the **UNH – Parent Portal Services** box. You should see a “Hello” greeting with your first name and a list of services your student has granted you.

7. To access a service, click on the appropriate service link.

8. To logout of the portal, click the small **Logout** button in the top area, and close your browser.

**NOTE:** If you have too many login failures, you will see an error message “The User has committed too many login failures.” Contact your student to reset your account.
