

Invention in a Bag Challenge Cards

Print and cut these Challenge Cards and place in invention Bags. If you have more students, you may duplicate challenges.

CHALLENGE:

You live a nomadic lifestyle, traveling from place to place to find work. Build a sleeping unit that can be moved each day.

CHALLENGE:

Your farm is several miles from the nearest market. Build a vehicle on which you can transport your crops from farm to market safely and efficiently.

CHALLENGE:

While on an adventure in the rainforest, you get separated from your group. Design a device to get their attention so they can find you.

CHALLENGE:

You work for the Audubon and someone brought you a family of exotic birds. Build a home for the birds that will keep them safe and comfortable.

Invention in a Bag Challenge Cards

CHALLENGE:

Your mom found mice in the house. Design a device that will keep the mice away without harming them.

CHALLENGE:

You are at the swimming pool, but you forgot to bring pool toys. Create a toy that would be fun to play with in the pool.

CHALLENGE:

You are going on a nature walk in the forest to collect natural treasures, but you forgot to bring something to hold your findings. Design the perfect container to hold all of your nature treasures from your walk.

CHALLENGE:

Invent something you know a gardener would love.
