

## EARTH AROUND US EQUIPMENT LOAN AGREEMENT AND GUIDELINES

NH GLOBE's Earth Around Us Tent Program equipment is available for educational, trade, civic, or public service events.

During the period the Earth Around Us Tent Program equipment is in the custody of the Borrower, the Borrower assumes the risk of, and is responsible for, any loss of or damage to, the equipment except for reasonable wear and tear. (The Borrower will contact Earth Around Us Tent Program before performing any repairs). While using Earth Around Us Tent Program equipment, Borrower agrees to:

- Bring all equipment inside each night
- Stake down or use weights on tents at all times

For us to keep Earth Around Us Tent Program materials as a free resource, please do your best to take care of items loaned. In the event something is broken beyond normal wear and tear, please let us know immediately by contacting Beth Young, Earth Around Us Tent Program Coordinator, so that we can let the next borrower know their materials may be different than expected.

Use of Earth Around Us Tent Program equipment must give no unfair commercial advantage. This criterion normally rules out individual businesses and advertising uses, but not events that public relations firms organize for public service or educational sponsors.

There must be no admission fee charged for use of Earth Around Us Tent Program equipment. Although Earth Around Us Tent Program equipment may be part of a larger exposition that charges an admission fee, such as a state fair, it may not be the major attraction of such an event.

Earth Around Us Tent Program equipment requests for fundraising events benefiting a single organization or events sponsored by religious or political groups are normally not approved.

The Borrower shall not assign to another person or entity this agreement or any part of the rights under this agreement, except as otherwise agreed to by the Earth Around Us Tent Program in writing.

By signing this loan agreement and accepting the Earth Around Us Tent Program equipment on behalf of the school/organization named below, I agree to comply with the Program expectations set forth above and will return the loaned materials and equipment in the condition they were received.
