ARTICLE I. ABOUT THE BOARD OF GOVERNORS

Section 1.01 Purpose:
The purpose of the Memorial Union Board of Governors will be to encourage student participation and involvement in the decision-making process for the governance of the Memorial Union, act as a voice for members of the University in issues pertaining to the Memorial Union, and uphold the ideals and goals of the Mission Statement for the Memorial Union. The Memorial Union Board of Governors will be a governing body with two distinct roles of governance.

a) To establish, as a decision-making body, the policies which govern the Memorial Union in cooperation with the Director of the Memorial Union
b) To assist, as an advisory board, the Director, in evaluating the daily operations and procedures of the Memorial Union; The Memorial Union Board of Governors and the Director will be jointly responsible for representing all matters concerning the Memorial Union, which is the official War Memorial of the State of New Hampshire, to the members and organization of the University of New Hampshire.

ARTICLE II. EXCEPTIONS AND CHANGES TO MEMORIAL UNION POLICY

Section 2.01 Exceptions and Changes

a) Any exception to the stated policies, procedures and/or rates must be requested in writing to the Director of the Memorial Union or his/her designee.
b) Changes or exceptions to policies related to events must be submitted at least 30 days prior to the event.
c) Changes to all Memorial Union policies will be granted or denied by the Executive Committee of the Memorial Union Board of Governors.
d) The Memorial Union Board of Governors has an established procedure to hear complaints or concerns regarding Memorial Union policies and procedures from members of the University and community. Appeals can be made directly by contacting the chairperson of the Memorial Union Board of Governors to be forwarded to the full Board.

ARTICLE III. GENERAL BUILDING POLICIES

The following policies apply throughout the Memorial Union Building:

Section 3.01 Prohibited Items and Action:

a) Bicycles
   Bicycles are not allowed inside the building. Bicycles found anywhere other than a bike rack will be locked with a MUB lock and the owner must come to the information desk to have it removed.

b) Roller skates, rollerblades, skateboards, “Segway” style transporters or other wheeled apparatus not used to aid impairment may not be used/ridden/driven in the MUB. They may be carried.
c) Use of all tobacco products and smoking of any kind including but not limited to, pipes, cigars, cigarettes, any non-FDA approved nicotine product including smokeless tobacco and electronic cigarettes
d) alcohol
e) candles
f) soliciting, leafleting
g) anything the MUB staff deems to be in violation of any of the MUB, UNH or USNH policies, or that poses any kind of damage, hazard or safety concern
h) animals
   a. Prohibited Animals:
      All animals other than those outlined below.
   b. Permitted Animals:
      Animals other than services dogs as defined and governed by Federal ADA and Section 504 guidelines, and emotional support dogs that have been approved through the office of Disability Student Services (students) or AAEO (faculty, staff, community) to occupy campus buildings are permitted in the MUB.
      i. Service Dogs:
         1. Service Dogs are defined within the Americans with Disabilities ACT (ADA) as dogs that are individually trained to do work or perform tasks for people with disabilities.
         2. ADA regulations require that service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices.
         3. Service dogs are not required to wear identification. However, it is strongly encouraged that they do. This will limit repeated inquiries from MUB staff seeking to enforce policy, and limits attempted interactions with a “working” animal by uninformed guests which may interfere with the dog’s ability to perform its trained responsibility.
         4. MUB staff are permitted by ADA regulations to inquire if a dog is a service dog necessary due to a disability of the owner, and to inquire what specific task the dog is trained to perform for the owner.
         5. Dogs must be kept under control at all times and ADA laws permits staff to ask for dogs to be removed if (1) the dog is out of control and the handler does not take effective action to control it or (2) the dog is not housebroken.
      ii. Emotional Support Animals (ESAs)
         1. Emotional support animals provide emotional support which alleviates one or more identified symptoms or effects of an individual’s disability.
         2. Animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.
         3. Approval for an ESA within UNH housing, covered by the Federal Fair Housing Act, is restricted to housing/dwelling.
4. Individuals with ESAs who feel they need to have an accommodation to have their ESA animal in the Memorial Union Building must make this request to the Office of Disability Student Services (students) or AAEO (faculty/staff, community). Once permission is granted, DSS will notify MUB administration.

5. ESAs are not required to wear identification. However, it is strongly encouraged that they do. This will limit repeated inquiries from MUB staff seeking to enforce policy, and limits unwanted interactions with a “working” animal by uninformed guests.

6. The MUB applies ADA service dog regulations to ESAs to require that they ESAs be harnessed, leashed, or tethered, unless the individual’s disability prevents using these devices.

7. ESAs must be kept under control at all times. Staff will ask for ESAs to be removed if (1) the ESA is out of control and the handler does not take effective action to control it or (2) the ESA is not housebroken.

ARTICLE IV. Use of Event and Meeting Space

Section 4.01 Scheduling Overview and Frequency

(a) Overview
- All space scheduling in the Memorial Union meeting rooms takes place through the Memorial Union Scheduling Office according to formal scheduling policies designed to ensure the building operates to achieve its mission.
- After priority scheduling requests have been processed reservations are handled on a first-come first served basis.
- The MUB scheduling office will work to accommodate as many reservations as possible while remaining true to the MUB Mission.

(b) Frequency
- Groups/organizations are limited to no more than 12 room reservations each month.
- Reservations of major events scheduled in the Granite State Room, Strafford Room, Entertainment Center and Theaters may not exceed two dates per month per dept./organization.

Section 4.02 Priority Scheduling

The MUB Scheduling Office will promote a window of opportunity (February – March, special times to be advertised) for groups and organizations to submit requests for reservations for the following fiscal year (July 1-June 30). Priority Scheduling policies apply to actual event times only. “Set up” and “break down” times are subject to separate policies under IV.4.03.f.

(a) Priority Scheduling - Major Events

Major events that take place in the MUB’s Event Spaces (Granite State Room, Strafford) can be scheduled 13 months in advance. Events will not be confirmed until the end of that month when all requests for that month are submitted.
Priorities are established for use of event spaces (Granite State Room, Strafford Room, Theater I and Theater II) in the Memorial Union in the following order:

1. Special events/series.
   a. A special event shall be defined as programs or events that are considered traditions and/or meet the mission of the Memorial Union.
   b. Special event series will receive priority over those scheduling individual events as long as their dates are submitted by the priority scheduling deadline.
   c. The MUB Director or designee must approve special events/series.
   d. Conferences and special events occurring during Nonacademic periods (J-Term, spring break, Summer Session) may be scheduled at any time up to three years in advance following the established priorities. Priority will be given to events which target students and incoming students, and traditional annual events.

2. Recognized Student organization events
3. University sponsored student events
4. University sponsored prospective student events
5. University events
6. University conferences, institutes, and workshops
7. Community events
8. Other non-university events
9. Rain date holds for any client internal or external

(b) Priority Scheduling - Organizational and Departmental General Meetings
The MUB Scheduling Office will promote a window of opportunity (February – March, special times to be advertised) for groups and organizations to submit requests for meeting room reservations for the following fiscal year (July 1 – June 30).

The process for scheduling meeting rooms not associated with a major event will occur after major events priority scheduling in the following order:

1. Recognized student organizations;
   Rooms and set ups requested by organizations may be adjusted by the scheduling office in an attempt to accommodate the maximum number of requests.
2. University Department Meetings and Events;
   Rooms and set ups requested by University Departments may be adjusted by the scheduling office in an attempt to accommodate the maximum number of requests.

Section 4.03 General Scheduling Policies

(a) Set Up Meetings
1. Tentative reservations for all meeting rooms must be confirmed at least 21 days prior to the date of the event or the reservations will be automatically cancelled. For all Major Events, a Planning Meeting (setup meeting) between all parties involved must be scheduled within 30 days of the date of the event. The meeting must occur within a
minimum of 21 days prior to the date of the event. Failure to complete the meeting will result in the loss of the room and cancellation of the event.

(b) Cancellations
1. Organizations may not assign/surrender a reservation to another organization. Reservations must be cancelled and the other organization must request the space through the Memorial Union Scheduling Office
2. Cancellations must be made by contacting the MUB Scheduling Office
3. Timing
   a. For reservation in the Granite State Room, Strafford Room, Entertainment Center, MUB Theaters I and II:
      i. Cancellation of a reservation must take place 21 days prior to an event.
   b. For reservations in all rooms not specified above:
      i. Cancellation of a reservation must take place 48 hours before event.
      ii. Events taking place on Sunday or Monday must be cancelled by noon on the previous Friday.
4. Penalties
   a. Late cancellations will be treated at “No-Show” (see No-Show Policies)
   b. All space use privileges are denied to groups with outstanding charges due to no-show reservations or late cancellations
5. Cancellation policies apply to rain date holds

(c) “Day of” Reservations
• All “day of” reservations are handled on a first-come, first-served basis.
• Day of reservations may be made through the information desk, with approval of MUB Administration or the Operations Manager on Duty, if appropriate, and are subject to room availability, availability of any necessary staff, and are subject to all applicable standard policies.

(d) No Shows
• When a reservation is made, and the room is not used this is considered a “no show”.
• Event Spaces:
  o For reservation in the Granite State Room, Strafford Room, Entertainment Center, MUB Theaters I and II:
    ▪ “No show” events will be billed at the UNH Rate
  o Meeting Room Spaces:
    ▪ For reservation in all rooms not covered specified above:
      • **Student Organization Penalties:** First offense “no show” events will receive a warning. Second violation “no show” events in the same semester will lose all MUB space use privileges for 16 academic weeks (academic weeks are defined as spring and fall semesters and exclude summer and winter break/J-term sessions)
      • **Non Student Org Penalties:** All “no show” events will be billed at the UNH Rate
Multiple Date “Holds”

The MUB recognizes that there are occasions when organizations need to hold multiple dates for an event while waiting for information that will impact a decision on a final event date.

- Following other guidelines outlined in these policies, organizations are allowed to request a hold on up to three different dates for the same event.
- If another organization submits a request that conflicts with the existing “hold” reservation:
  - If the date in question is more than 6 months away, the organization with the hold will be contacted to see if they can release the date. If they do not have a decision made on their event, they will be allowed to continue to hold the date.
  - If the date in question is 6 months away or less, the organization holding the date will be given first right of refusal. That means that they either release the date to the requesting organization, or they commit to the date and release any other dates they have on hold for that event.
  - If there are no requests submitted that conflict with any of the “hold” dates, an organization will be allowed to continue to hold their dates until two weeks prior to the first held date, or, in the case of large events, until 30 days prior to the first held date as outlined in IV.4.03(a).
- Any time there are multiple dates “on hold” for an event, all of the dates will continue to appear as “available” on the MUB online scheduling system and events calendar.

Standard “Set up” and “Break Down” Time Holds

MUB reservation and rate policies are built to accommodate 4 and 8 hour time frames. When reservations are requested, clients must specify both the requested overall reservation time and the actual event time.

- **Campus Departments**: Room rate charges are incurred for all reserved time in 4 and 8 hour time blocks as permitted by room, not only event time. Four and eight hour time frames cannot be broken over multiple days.
- **Student Organizations**: In the Strafford and Granite State Rooms, non-event reservation times cannot exceed twice the actual event time. (I.e. a 2 hour event cannot exceed a total 6 hour reservation; 2 hours for an event and 4 total hours set up/break down). In all other rooms, non-event reserved times may not exceed actual event times. (I.e. a 2 hour event cannot exceed a total 4 hour reservation: 2 hours for the event and 2 hours total set up/break down). All reservation time must be constrained to a single day.

Academic Classes

- With the exception of the MUB Theaters (See Article IV.1.g.v), or the Distance Learning Classroom (controlled by UNH IT) no recurring academic classes, or recurring academic department or class related events will be scheduled in the Memorial Union Building.

- Unless prior arrangements are made, attendees and organizers of the event must vacate the building by the scheduled closing time of the building. Arrangements to exceed scheduled building hours must be made at least three weeks in advance and are subject to the approval of the Director of the Memorial Union and the availability of staff.   - No credit card companies of any kind are permitted to sell or promote their products in the Memorial Union Building.

Section 4.09 Room Use Rates/Rental Fee Tiers

Rate Structure for Room Fees is tiered as follows:

(a) Student Organization Rate
Recognized student organizations in good standing are generally not charged for space use in the MUB with the exception of the Games Room. To qualify, an event must meet the following criteria.

- A logical and valid connection must exist with any co-sponsoring entity. Student organizations cannot be used to front for external groups, co-sponsoring campus departments or offices that would otherwise incur charges.
- Events that are partnerships between non-UNH entities and student organizations must be the original creation of and instituted by of the student organizations. The apparent or primary purpose of the event must not be to promote or market any non-UNH entity. A member of the student organization must be the organizer, manager, host/facilitator, decision maker and primary contact for the event.
- Any revenue generated from sponsorship, ticket sales, registrations or other fundraising mechanism must be designated for a student organization, student scholarships or registered 501c3 and pass through the UNH student organization account.
- The audience for an event must be made up of more than 50% students, faculty and staff of UNH.

UNH Rate

The UNH Rate is currently calculated as a discount to the standard rate. To qualify for this discount, an event must meet the following criteria. The intent of the criteria is to support those programs and events that contribute directly to the general fund or individual office and department budgets.

- A department or office of the University of New Hampshire cannot be a sponsor of an event in name only. A campus department holding “membership” in an external organization does not qualify that external organization for UNH rates. The campus
department must be the organizer, manager, host/facilitator, decision maker and primary contact for the event. The department has ultimate responsibility for payment of all expenses related to the program.

- Any revenue generated beyond expenses must be directly deposited into a University account for departmental, college or general funds.
- Any financial benefit by individuals or groups other than the University of New Hampshire will disqualify a group from receiving the UNH Rate.
- Events that are partnerships between campus departments/offices and student organizations will be charged at the UNH Rate unless they meet all of the criteria for a Student Organization above. Student organizations cannot be used to front for campus departments for the purpose of reducing fees.
- An internal Encumbrance Number for the costs of all anticipated participants and other costs for the event must be received by the scheduling office in advance of the first day of the event (21 days in advance for “event and specialty rooms” and 2 days in advance for all other spaces.

Section 4.10 Room Use Rates/Rental Fee General Policies

A listing of charges and scheduled building hours is available in the Office of the Memorial Union and at [www.unhmub.com](http://www.unhmub.com). Charges are reviewed and approved by the MUB Board of Governors.

(a) Staffing Charges
Additional staffing, security, personnel, custodial coverage and other expenses will be charged as necessary. Fees are based on total reservation time, which may be longer than actual event time.

(b) “No Shows” and Cancellations
All charges related to a no-show or late cancelled event will be incurred and the sponsoring organization will be held liable for payment.

In the event curtailed operations are called (See section 9) and the Memorial Union closes, all fees for scheduled events will be refunded.

(c) Fronting

If the Committee does deny space to such an organization, the decision must be supported by substantial evidence showing that the decision was reached through consideration of which organizations would best satisfy the needs of the University community.

- The Space Allocation Committee will submit their decisions to the The Memorial Union Board of Governors who will then vote upon the preliminary space assignments and make appropriate notification of the decisions.

(b) Appeals Process
