

Welcome Wildcats! **2021**
UNH Wildcat Days

Welcome Wildcats!

We have planned a wide range of events and activities over the next three days to help kick off your UNH experience by getting to know our campus and one another. We hope that you take advantage of the many opportunities offered and attend as much as possible.

You can find up to date details on all our events at Wildcat Link by filtering by "Wildcat Days" (see QR code below). If you have questions throughout the weekend, you can ask your RA or find an Orientation Leader in yellow shirts.

Please **remember that masks are required at all indoor events**. While outdoor events do not require masks, we anticipate large attendance and recommend you bring your mask so that you can choose to wear it if you prefer.

It's a great day to be a Wildcat!
