

COURSE LIMITATIONS FOR INCOMING EXCHANGE STUDENTS

FLEXIBILITY IS THE KEY TO A SUCCESSFUL EXCHANGE at UNH: We do our best to give you the courses you need and will work with you to provide a full schedule of classes (12-18 credits). However, some courses are closed to exchange students or space is extremely limited and therefore cannot be recommended. Be aware of the following limitations, and check UNH Courses website for prerequisites or restrictions for all courses. **Exceptions cannot be made.
