COURSE LIMITATIONS FOR INCOMING EXCHANGE STUDENTS

FLEXIBILITY IS THE KEY TO A SUCCESSFUL EXCHANGE at UNH: We do our best to give you the courses you need and will work with you to provide a full schedule of classes (12-18 credits). However, some courses are closed to exchange students or space is extremely limited and therefore cannot be recommended. Be aware of the following limitations, and check UNH Courses website for prerequisites or restrictions for all courses. Exceptions cannot be made. Please do not contact UNH faculty directly. We are also unable to give an exchange student all four classes in one major or discipline. Flexibility is key to a smooth registration process. For questions, please contact the UNH Exchange Coordinator at: paula.dinardo@unh.edu.
