FAQs-

- **What do I do if I put something in my cart and I don't want it?**

No problem! Go to your cart and click **“Remove”** below to the course, membership, or event you no longer want. Once it's removed, it will not be included in your checkout.

- **How do I get back to my cart from the OLLI website if I have nothing else to add?**

You can return to your cart at any time by clicking “My Account” in the menu bar on the OLLI website. This will take you to the Student Portal Log-In where you can look at your cart or log into your account and check out.

- **Why won't it let me continue to check out?**

This usually happens if something required is missing. Common reasons include:

- You are not logged in to your account
- The required membership has not been added
- A course in your cart is full or no longer available

Double-check your cart and make sure all required items are included. If you're still stuck, we're happy to help! Call us at 603-862-6554.

- **What if I want to add more courses later?**

That's perfectly fine! You can register for additional courses at any time during the registration period. Simply log back into your account, add new courses to your cart, and check out again.

- **What if a course is full?**

If a course is full, it will be clearly marked as **“Full”** in the course listing and cannot be added to your cart for registration. However, we recommend adding yourself to the waitlist and when a spot opens up or if we have an additional section, you will receive a call or email from the OLLI Office. *You will not be charged for a course you are on the waitlist.*

- **Do I need to select more than one membership if I want to take courses outside my Learning Region?**

No. **One OLLI at UNH membership** allows you to register for courses in **any Learning Region and online**, as long as space is available.

- **Can I search by presenter name, location, or date?**

Currently, the only search options are for course titles, course subject, or key words. We hope to expand these options moving forward!
