**Steps to register for Psychology 595 (4-credits, pass/fail):**

- Contact SHARPP to schedule an interview, (603) 862-3494, or amy.culp@unh.edu

- After your initial SHARPP interview is completed, you will sign a learning agreement/contract with Amy Culp and Professor Vicki Banyard (you will sign this at the SHARPP office). Once your learning agreement is signed and turned into Amy Culp, you are guaranteed a spot in the class (even though you may not get registered until the fall semester—please see below for details).

- Bring the contract back to Amy Culp at SHARPP. She will forward your contract to Vicki Banyard in Psychology. Then one of two things will happen:
  
  - If you are taking this class as a 4th class (for a total of 16 credits in the fall) the psychology department staff will register you (by the end of the semester) for this class. Please be patient, it may take until the end of classes to get this done.
  
  - If you are taking this class as a 5th class (for a total of 20 credits in the fall) you CANNOT register for this class until the fall. The Psychology Department will put your contract on file. When fall semester starts you need to bring a drop/add form to Vicki Banyard in the Psychology office. She will attend class during the second week of classes at that time you can get your contract signed. You will then turn it in to the Registrar.
  
  - If you have some sort of hold on your account then this class will not appear on your fall course list. In that case you will need to work with the Registrar to take care of the hold and then in the fall use a drop/add form to add the class.

  **PLEASE REMEMBER - EVEN IF YOU HAVE TO USE AN ADD FORM IN THE FALL, IF YOU HAVE SIGNED YOUR CONTRACT AND TURNED IT IN TO AMY CULP, YOU HAVE A SEAT IN THE CLASS.**
