## The General Douglas MacArthur Leadership Award

IN THIS ISSUE

The university's Army Reserve Officer Training Corps (ROTC) program recently

received the MacArthur Award as the No.1 top-performing unit out of 42 units in the brigade, which includes New Jersey, New York, Pennsylvania and New England. The unit learned of the award via a videoconference in January.

The annual award is given based on academic and fitness scores, retention and commissioning rates, program administrative metrics and organizational culture. It has been presented annually since 1989

by the U.S. Army Cadet Command and the Gen. Douglas MacArthur Foundation to recognize the ideals of duty, honor and country.

"The MacArthur Award means a great deal to our program. Part of our program vision is to be a premier program in the Northeast, and this year, we are the premier program," says Jacob M. Johnston, Lt. Col., aviation and professor of military science. "We are proud of all our cadets and cadre who contribute to our strong and positive culture."

There are 140 cadets in the UNH Army program currently. According to ROTC leaders, it had been anticipated UNH would commission 25 "leaders of character" during the 2019-20 academic year. Instead, 33 were commissioned, and the program is on track to commission 37 in 2021.

## Senior Class Thank You!

---

As we find ourselves transitioning out of college and into the life of an Army Officer, the class of 2021 has been nothing but adaptable. Despite the impeccable barriers that have been placed in our way, we have embraced the “Hard as Granite” motto in every regard. I could not be more thankful to call this class my family and I look forward to seeing what we all accomplish. Through the good and the bad, the late nights and early mornings, and every moment in between; we have learned that just showing up is sometimes our most viable option. *“It is fatal to enter a war without the will to win it.”* – Douglas MacArthur
