Classroom and Learning Assessment Techniques

Catherine Overson,
Director, Teaching, Learning, and Research Services, CEITL

Sara Clarke-Vivier,
PhD Candidate, Education

Jovana Milosavljevic Ardeljan,
First-year PhD student in Education

Elizabeth Bright,
Second-year Ph.D. student, Department of Chemistry
Classroom Assessment

- Goals/Objectives/Skills
- Student Learning
- Facilitate Learning
- Question
Classroom Assessment

• Learner-centered: focus on observing and improving student learning
  • Metacognitive skills
• Teacher-directed: Learning goals.
  • What to assess
  • How to assess
  • How to respond
• Formative
• Context-specific
• Ongoing
Classroom Assessment
