UNH.edu/hr

Welcome to the University of New Hampshire! The HR Benefits Team looks forward to seeing you during new Faculty Orientation on August 25.

During the Benefit Overview session on Tuesday, we will be reviewing the comprehensive benefits package available to UNH employees. Highlighted below are some of the items we will be covering.

- Core Benefits: Medical, Dental, Vision
- Income Protection: Life Insurance, Long Term Disability
- Wellness at UNH
- Retirement Program

You can find an overview of your benefits at <https://www.unh.edu/hr/benefits>. To view medical plan details, comparisons and cost summaries, please visit <https://www.unh.edu/hr/health-plans>.

Your benefits package is an integral part of your total compensation as an employee. As a new Benefits Eligible employee your UNH's Core Benefits are effective the first day of the month following your date of hire, provided your enrollment is completed within your first 30 days.

Coverage is also available to your spouse and dependent children and you will be required to provide dependent verification eligibility documents upon enrollment.

If you have questions about your benefits or how to enroll in them please contact the Benefits Team at (603) 862-0504 or HR.Benefits@unh.edu.

Best,

Kim Jennison
Benefits Manager

Susan Wilbur
Sr. HR Assistant - Benefits
