Boring Start Date

Building and Address

Intersecting Street

Pre-Boring Checklist

- Dig Safe ticket completed and reviewed
- Compile Contractor & UNH Emergency Contact List
- Boring Plan & Utility Plans reviewed
- Pre-boring meeting scheduled
- Boring notification sent to all pertinent parties

Pre-Boring On-Site Meeting Checklist

- Dig Safe ticket is on-site, Map and other information reviewed
- Emergency contact list is on-site and reviewed
- All dig safe markings are reviewed in the field
- Each boring location is reviewed & assessed in the field
- Identify and review all potential risks to life and property

Prior to any boring taking place, an on-site review of the boring area must take place between the boring contractor and UNH representatives including but not limited to Project Management, Campus Planning GIS, Energy and Utilities, Operations and Maintenance. Absolutely no boring is to take place unless the pre-boring meeting has taken place and all dig safe markings and utilities have been thoroughly reviewed.

Contractor must adhere to all aspect of the State of New Hampshire Law RSA 374
