

UNH FACULTY SENATE
MOTION #XXII-M5

*on units off of the UNH-Durham campus providing mileage reimbursement to their Faculty
Senate representatives*

1. Motion presenter: Erin Sharp, representing the Agenda Committee
2. Dates of Faculty Senate discussion: 12/4/17, 1/29/18

3. Rationale: The faculty senate is the legislative body that reviews and develops policies concerning the academic mission of the university. Each academic department or unit elects one, two, or three faculty representatives to the faculty senate based on the department or unit's size. Those faculty representing UNH Manchester and the UNH School of Law are required to travel from their home campuses to attend faculty senate meetings and, often, standing committee meetings, on the UNH-Durham campus. It appears that some senators serving units off of the UNH-Durham campus have received mileage reimbursement for this travel in their cars, while some have not, and that some representatives have received mileage reimbursement at some points in time, but not at other points in time. The purpose of this motion is to strongly encourage units off of the UNH-Durham campus to develop a consistent policy to reimburse travel expenses incurred by their elected representatives to the faculty senate.

4. Motion: The faculty senate urges units located off of the UNH-Durham campus (UNH Manchester and UNH School of Law) to establish a policy for the reimbursement of travel expenses incurred by their elected faculty senate representatives who must travel to the UNH-Durham campus to attend faculty senate and faculty senate committee meetings.

5. Senate action: The motion passed with 52 votes in favor, 1 vote opposed, and 2 abstentions.
