The Granite Guarantee

NO TUITION FOR QUALIFIED IN-STATE STUDENTS

Our commitment to your education
The Granite Guarantee covers the cost of tuition for all first-time, first-year, Pell Grant-eligible New Hampshire students.

Launched during CELEBRATE 150: The Campaign for UNH, marking the university’s 150th anniversary, this new program bridges the financial gap between a Pell Grant recipient’s total federal and state aid package and the cost of in-state tuition.

The requirements are simple
Qualified students must enroll full-time for both the fall and spring semesters and meet all financial aid application deadlines.

There is no paperwork
Accepted New Hampshire students who are Pell Grant-eligible automatically receive the Granite Guarantee benefit. All they have to do is:

- Apply to UNH at unh.edu/apply
- Apply for Financial Aid at unh.edu/financialaid

Ongoing support
Granite Guarantee aid renews automatically, provided students:

- Remain at UNH for all four years
- Remain a New Hampshire resident
- Remain enrolled full-time
- Maintain federal Pell Grant eligibility
- Continue to make satisfactory progress toward a degree
- Meet annual financial aid application deadlines

A significant achievement
The Granite Guarantee is a significant achievement toward our goal of making a UNH education attainable for every New Hampshire student. UNH hopes to expand the Granite Guarantee to more New Hampshire students in the future.

Will I still have student loans?
Eligible students may still seek loans to help pay for non-tuition expenses such as fees, room and board, and books.
