Sumeyra Gok, Marie-Josiane Ohoueu, Emily Whalen, Jacob Bennett, Allison Giannotti, Karla Oñate Melecio, Shantel Palacio (member-at-large), Simone Chapman (member-at-large)

Commission for Community, Equity and Diversity meeting discussions
- Represented GSS at the monthly meetings of CCED and MLK celebration committee
- Arranged for a graduate student, involved with the GSS as a member at large, to speak at the kick-off event for the MLK celebrations

President’s Advisory Council on Campus Climate
- Represented GSS at the monthly PACCC meetings
- Along with two other members of PACCC, summarized the results of the Campus Climate Survey specific to graduate students and presented this summary, along with a list of recommendations, to the broader Council

Campus Climate Survey
- Gathered as a committee to summarize the results of the Campus Climate Survey
- Presented our summary to the GSS during a meeting
- Wrote a resolution concerning the Campus Climate Survey results, which passed on 11/04/2019

Gender Question on Teaching Evaluations
- Wrote two resolutions as options to change the binary gender question on teaching evaluations
  - Suggested that UNH should 1) omit the gender question or 2) add other multiple choice options for gender identity
  - Presented the resolutions to GSS, and based on the feedback of the senators, amended the first alternative to suggest that there should be a fill-in box for the gender question and that this information should not be revealed to the instructors

Next Steps
- Arrange a visit to one of the circles organized by the OISS to introduce ourselves and talk to the international students
