A BRIEF UPDATE FROM THE GRADUATE STUDENT SENATE

We hosted our first **Town Hall** event last month with great success! We heard from many of you with questions about topics like grad student funding and promoting diversity training on campus. We're looking forward to incorporating these new issues into our work and hosting another Town Hall during the spring semester. **GSS members will be in Manchester** later this month as part of the UNH Manchester Graduate School "Meet the Deans" and open house event. For more info, check out the "Looking Ahead" section of this newsletter. GSS President Casey O'Heran and Vice President Liz Weidner were recently guests on the "UNH Podcasts" talking about GSS. The episode will be available soon and can be accessed [here](#).

External Relations Officer Jacob Bennett discusses results of the Campus Climate Survey, along with a panel of GSS committee chairs during the Town Hall event.
