Graduate Student Senate

A BRIEF UPDATE FROM THE GRADUATE STUDENT SENATE

We've made it through two months of mixed in person/remote activities and Thanksgiving is right around the corner! Last Month, GSS partnered with Psychological and Counseling Services (PACS) and the Grad School to host our first in person event of the school year (socially distanced, of course!). Eight people came out to Wagon Hill Farm to enjoy a nice walk on a Friday afternoon.

This month, the GSS Executive Committee will be meeting with other student government leaders from across the University System of New Hampshire to discuss diversity, equity and inclusion in student government and other professional development topics. Our Financial Affairs Committee is also busy reviewing proposed changes to the graduate student fees for the upcoming year.

GSS hosted our first in person event of the school year.

Join fellow grad students for a walk at a different nearby location each week. Walks take place on Fridays at 3pm. Walk location and signup details will be announced by the Grad School. All participants must be part of the UNH COVID testing program and display a valid Wildcat Pass. Masks are also required. Can't join in person?
