Graduate Student Senate

A BRIEF UPDATE FROM THE GRADUATE STUDENT SENATE

The beginning of the semester has been full of fun events to get to know our graduate students, from tabling at **UDay** to our first **First Thursday** of the year and our **Health and Wellness Luncheon!** Moving forward, we're looking for ways to hear more about issues that are important to grad students as we continue to work with university administrators on topics like **grad student fees**, **campus housing**, and **health insurance**. We are excited to announce that we will be hosting a **Town Hall event** this month and we hope many of you will join in this new event. We are also developing programs to connect to our grad students in Manchester and the UNH Law School in Concord and look forward to building stronger connections there!
