R.A.D. is not a martial arts program, nor does it require students to be athletes in training to succeed. The R.A.D. system will provide students with the knowledge to make an educated decision about personal defense. For more information about R.A.D., check out the web site at <http://rad-systems.com>.

Course content: This class will have both classroom and practical segments. Therefore, participants should be dressed comfortably and be prepared to move during each session.
