In compliance with the "Timely Notice" provisions of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the University of New Hampshire Police is providing notice of a report of an attempted robbery.

On September 21, 2018 at approximately 10:15 pm a female University of New Hampshire student reported an attempted robbery which took place along the walking paths behind the MUB. The male suspect cornered the victim and told her to empty her pockets and asked for her wallet. He then took her ID. The female dropped her bag on the ground and displayed an unfolded knife and the suspect ran off dropping the ID. The student provided a description of the male as being a tall white male, skinny, glasses, and wearing a dark colored hooded sweatshirt, dark pants, and black shoes with white soles.

University Police Officers and Campus Service Officers will be increasing their patrols of the area, and will answer any safety concerns you might have, including providing safety escorts throughout our community.

The University Police Department reminds everyone to call 911 IMMEDIATELY if you see or hear anything suspicious. Anyone having information concerning suspicious activity in and around the walking paths behind the MUB are encouraged to contact the UNH Police Department at (603) 862-1427.
