

Water Education for Teachers

# Project WET Educator Workshop

Friday, March 29, 2019 from 8:45 to 4:00 p.m.

at the Manchester Water Treatment Plant,

1581 Lake Shore Road, Manchester, NH

Calling all New Hampshire teachers grades 4 through 7 and environmental educators! The New Hampshire Department of Environmental Services will be conducting a one-day Project WET (Water Education for Teachers) workshop.

- Learn about water science – watersheds, land use changes and green design
- Become certified as a Project WET Educator!
- Obtain STEM-based activities to increase student understanding of resource issues
- Apply lessons to your curriculum using interactive and integrated methods

**But wait! There's more!**

**Each activity correlates with Next Generation Science Standards (NGSS)**

Educators completing the training will receive:

- The 592-page Project WET 2.0 Guide.
- Access to activity kits and other tools for FREE from the NH Department of Environmental Services!

We envision a world in which action-oriented education enables every child to understand and value water, ensuring a sustainable future. Join us to experience Next Generation Science Standard practices in action and how to implement hands-on activities in your classroom.

**Registration Fee: \$50.00, includes the Project WET Activity Guide & snacks**

**\$30.00 for teachers participating in the**

**NH 4th Grade Science Fair and/or Drinking Water Festival**

**Please bring lunch**
