

**University of New Hampshire**  
College of Engineering and Physical Sciences

# Tech Kid U!!!

Saturdays, March 11, 18, and 25, 2017

Morning and Afternoon Sessions

**Durham Campus @ Kingsbury Hall**

Tech Kid U is a new initiative sponsored by the UNH College of Engineering and Physical Sciences. Middle school students will have the opportunity to explore the world of science and engineering.

Tech Kid U will run for three consecutive Saturdays and features hands-on projects and problem solving in various topics related to science and engineering.

Small class size and in-depth format encourage extensive student-project leader interaction and allow students to immerse themselves in a topic and the problem-solving process.

## Projects include:

**NOT Simple Machines:** GR 5 & 6, 9 am -12 pm

**Nanotechnology:** GR 7 & 8 , 9 am -12 pm

**Beautiful Math:** GR 5-8, 1-4 pm

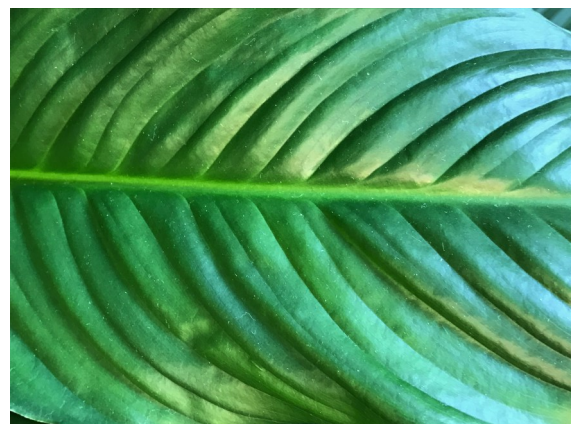

**Outside the Box:** GR 5-8, 1-4 pm

**Cost:** \$175 per 3-week project

**Enrollment is limited to 10 students per project.**

***Open to Students  
Grades 5 through 8***
