Greetings,

Please accept my heartiest congratulations on your candidacy as I welcome you to the 2019 General Election season.

The history of student democracy on this campus is an awe to behold. In very few other places in higher education does there exist a student government independent from the faculty or the administration. On just a few campuses do students have control over their own activities' fee; on even fewer do they oversee their own elections.

This especial responsibility given to us by the students and respected by the University is not something to take for granted. Students are able to retain these rights because of our long tradition of civility, maturity, and mutual respect – anything short of that tradition does not fit into our democratic process and will not be tolerated.

On behalf of the Election Committee, I'd like to thank you for pledging your time and labor towards your campaign. The election of the Student Body President, Vice President, and Student Trustee allows student leaders such as yourselves to reach out and talk to the students on the ground – to get out on campus and listen to their concerns, their fears, their hopes, and their vision for the direction of this University.

Please read this packet and the Election SOPs carefully as election procedures have changed significantly from previous years. You are responsible for being properly informed on election procedures and no one else; not your campaign staff, not your supporters, not your opponents, and not the Student Senate. If you have any questions on procedure, I implore you to ask it immediately.

In addition, if you are ever in need of anything relating to this election, please reach out to myself personally (keeping in mind that I too am a student and occasionally, but not often, sleep). My personal cell phone number is 207-590-6404.

Sincerely,

A handwritten signature in black ink that reads "Nicholas P. LaCourse".

Nick LaCourse, Speaker  
UNH Student Senate

## INTRODUCTION

Please read this packet and the Election SOPs carefully as election procedures have changed significantly from previous years.

This packet should help you and your campaign staff to familiarize yourself with the Election SOPs and to understand its provisions. It is important to note that this packet is in no way a binding document – the SOPs are the only election document with any weight.

If you have any questions on this or the SOPs, please reach out to the Senate Speaker at [senate.speaker@unh.edu](mailto:senate.speaker@unh.edu). While other members of the Election Committee can serve as a resource for election matters, the Speaker should be your primary contact for interpreting and understanding the SOPs.

## DESCRIPTION OF POSITIONS

The Student Body President, the Student Trustee, and the Speaker are heads of the three branches of the Student Senate.

The Speaker (elected by the Student Senate, not in this election) is the Chair of the Senate and the head of its internal affairs. **It's important to note that neither the SBP nor the Student Trustee have direct purview over the culture of student government, recruitment/retention of Student Senators, the Student Activity Fee, or the Senate's public relations – all of these things fall under the Speaker's office.**

The Student Body President and Vice President, along with the Senate as a whole, are the 'voices' of the Student Body, and can speak on behalf of it to the Administration, the Faculty, the Town of Durham, the UNH alumni, and others. They frequently meet with the University President and other key UNH officials and stakeholders. They head their Cabinet, which collectively formulates policy proposals to put before the Student Senate as well as liaising with certain UNH departments and offices.

The Student Trustee is a full voting member of the USNH Board of Trustees, which governs UNH, Plymouth State, Keene State, and Granite State. The Student Trustee therefore votes on all USNH wide finance, tuition related issues, and policies that go before the Board with the same weight as the other Trustees, such as the NH Commissioner of Education and Governor-appointedees. The Student Trustee is also charged with the review of mandatory student fees in the Student Senate.

## WHAT IS CONSIDERED CAMPAIGNING?

Campaigning includes the following activities as defined by the SOPs:

Trying to convince a student to ...

- Support or not support a ticket
- Vote or not vote for a ticket
- Support a student organization endorsing or not endorsing a ticket
- Join or not join a campaign staff
- Sign or not sign a candidacy petition
- Give or not give donations to a campaign

## CANDIDACY PETITIONS

All prospective candidates, for both SBP/VP and Student Trustee, must complete a candidacy petition to appear on the ballot, using the form paperclipped to this packet. Make sure to place your name(s) on the top of each page *before* collecting signatures – any page where you do not do this will be invalidated.

Petitions require the following:

- For Student Body President/VP, the signatures and information of no less than 300 undergraduate students who support their candidacy.
- For Student Trustee, the signatures and information of no less than 300 undergraduate or graduate students who support their candidacy.

### Why the Difference?

Since graduate students vote for the Student Trustee exclusively, they may not sign a petition for SBP/VP.

Once your petition is completed, please schedule a time to submit it *in person* to the Senate Speaker.

Please take into account the following advice on how to satisfactorily complete a petition:

- **Make sure to complete a ‘Campaign Staffer Declaration Form’ before you give anyone custody of your petition – only declared campaign staffers or you may have custody of a petition.**
- Make sure that you are not asking for signatures in the presence of alcohol. This may result in you being barred from office.
- Receive *at least* 40 to 50 more signatures than what is required. Illegible or ineligible signatures will *not* count towards the 300 signatures require for candidacy. Therefore, it’s recommended that you receive around 350 signatures to prevent yourself not meeting the minimum and not appearing on the ballot.
- Use the opportunity to spread the word about your campaign and schedule visits to student organizations to receive signatures.
- Make sure to abide by state/local law and University policy surrounding solicitation.

## CAMPAIGN FINANCE RULES

Campaign finance rules are completely new starting in the 2019 General Election and we recommend reading this section both here and in the SOPs with particular care. Please note that we use “purchase” in this packet to mean any use of money for a service or good – you can “purchase” a Facebook ad in the same way you can “purchase” a pizza for a campaign event.

### SPENDING CAP & OVERVIEW

---

Please note the following campaign finance rules:

- You may spend up to \$750 toward your campaign. Having someone else purchase materials on your campaign’s behalf will still count towards this cap.
- All purchases of materials used towards your campaign must be declared to the Business Manager. You are required to give a copy of the receipt or invoice of every transaction made by either yourself or someone on your behalf.
- If someone purchases something for you and you do not want it to count towards your cap, you must dispose of it or otherwise not use it. It is an election offense to use purchased materials not declared towards your cap.

When do I have to declare a purchase?

DECLARE	DON'T DECLARE
<ul style="list-style-type: none"><li>• You purchase campaign materials for your campaign.</li><li>• Someone else purchases campaign materials for your campaign.</li></ul>	<ul style="list-style-type: none"><li>• Someone purchases campaign materials for your campaign and you do not use it or dispose of it.</li></ul>

**IT IS A CLASS B ELECTION OFFENSE TO NOT DECLARE FINANCIAL TRANSACTIONS TO THE BUSINESS MANAGER.**

### HOW/WHEN TO DECLARE A PURCHASE

---

When you need to declare a purchase to the Business Manager, please email a copy of the invoice or receipt to Abigail Sheridan, the Senate Business Manager, at [senate.bm@unh.edu](mailto:senate.bm@unh.edu). Please make sure to upload in .pdf format for ease of upload.

This should be done immediately – we ask that you send the invoice/receipt within two days of purchase.

## CAMPAIGN PRIVILEGES

By declaring candidacy for office, you are entitled to certain privileges under the SOPs to assist you in campaigning.

### POSTERS

---

You are entitled to print three-hundred (300) US letter sized posters to be placed around campus to benefit your campaign.

- Two hundred (200) posters will be printed by the Director of PR and given to the Department of Residential Life to place in Residence Halls and Apartment Complexes around campus.
- One hundred (100) posters will be printed by the Director of PR and given to your campaign to be placed at your discretion.

During the week of February 25<sup>th</sup>, the Senate Director of PR will reach out to your campaign and ask you to submit a poster design to be printed. At that time you will be asked to add the disclaimer listed in §17.3 of the SOPs to your poster design.

Please ensure that you comply with all University/Department-specific postering rules and guidelines, and to reach out to those entities if you have any questions.

### ENDORSEMENTS

---

A great way to boost your campaign is to receive an official endorsement from a recognized student organization, which will appear under your name on the election ballot and may appear on some of the advertising materials for the election released by the Election Committee. The benefits of getting an official endorsement are as follows:

- Since your endorsements will appear on the ballot, voters will be able to see the values you stand for by the organizations who support you.
- Endorsements encourage voters within organizations that have endorsed to vote for you. This is especially useful for larger organizations, such as SAF Organizations and Fraternities/Sororities.
- Endorsements also get student organizations involved in the student political process itself, encouraging unity and passion across student involvement towards the common democratic process.

Please make sure you observe the following rules regarding endorsements:

- Endorsements must be approved by either the organization's entire membership or its Executive Board.
- Two members of the organization's executive board must sign the petition form (available in MUB Room 119A/Student Government Complex), one of which must be the President/Director of the organization. Your campaign has up until 11:59pm on Wednesday, March 20<sup>th</sup> to submit an endorsement form.

- The Student Senate is NOT responsible if a vote to endorse a candidate violates the organization's internal rules, constitution, or national guidelines. It is therefore important that the organization understands, in full, the consequences of voting to endorse.
- Your campaign or the organization has up until 11:59pm on Wednesday, March 25<sup>th</sup> to revoke the endorsement.

## **DEBATE**

---

The Election Committee will be hosting an Election Debate on Thursday, March 21<sup>st</sup> in the evening. The time and location of the Debate will be announced no later than March 1<sup>st</sup> at 8.00pm by the Senate Speaker.

The event will be live-streamed via the Student Senate Facebook and other social media accounts. Please go to those pages to view debates from previous years.

Please arrange with your professors **now** if you have academic commitments during that evening, as the Election Committee is bound by the Election SOPs to hold the Debate on that evening, and will not be moving it under any circumstances.

## INTEGRITY OF THE ELECTION PROCESS

### RIGHT TO APPEAL

---

Any student has the right to appeal a decision of the Election Committee to the Judiciary Committee EXCEPT:

- Only candidates or campaign managers may appeal a decision relating specifically to the campaign conduct of another candidate or campaign staffer.

All alleged violations of the SOPs must be submitted to the Senate Speaker using the yellow 'Incident Report' form available in the Student Government Complex (MUB 119) or online at [unh.edu/student-senate](http://unh.edu/student-senate).

The Student Senate Parliamentarian (also sometimes called the 'Deputy Speaker') runs the Judiciary Committee in regards to election appeals. Please email the Parliamentarian at [student.senate@unh.edu](mailto:student.senate@unh.edu) if you would like to appeal a decision of the Election Committee. This email should include a copy of the initial decision (available upon request to the Speaker if initially unavailable), reasoning for appeal, and recommended action.

### IMPARTIALITY OF THE ELECTION & JUDICIARY COMMITTEES

---

Members of the Election Committee must be totally impartial in all matters relating to this Election. They may not endorse or support a candidate, publicly or privately, and may not sign a candidacy petition, become a campaign staffer, or like/share social media posts from candidates.

- If you believe a violation of this has occurred, please email the Senate Speaker immediately and disciplinary action will take place. If you feel uncomfortable emailing the Senate Speaker, the SOPs allow you to email the Senate Parliamentarian.
- **If you believe that a member of the Election Committee has violated this trust, you should notify immediately.** We can only fix problems we are made aware of.

Members of the Judiciary Committee, while allowed to be partial in an election, are prohibited from serving as Campaign Staffers.

### RIGHT TO SUBMIT A FORMAL PETITION OF PROTEST

---

During the period between the close of the ballot (Thursday 3/28 @11:59pm) and the end of the post-voting period (Tuesday 4/2 @3.00pm), you are permitted to submit a Formal Petition of Protest to the Student Senate.

**This Formal Petition of Protest process is completely different from previous years.**

Instead of contesting the Election itself (which if approved would overturn it), a Formal Petition of Protest is simply a statement signed by no less than three-hundred (300) students asking the Student Senate to fail the verification of the Election Results.

A Formal Petition of Protest requires all information/stipulations as laid out in the Election SOPs.
