This petition is used to officially make an endorsement during the 2019 Student Body General Election. This is an important way you can let members of your organization get involved in the most important campus political event of the year, and to let the wider student body know who and what your organization stands for.

Once completed, your organization's endorsement will appear directly on the ballot itself!

Please complete this form in-full – any missing, incorrect, or illegible information may be grounds for your endorsement to go unrecognized by the Student Senate.

Before endorsing, you are strongly encouraged to read, in full, the Standard Operating Procedures of the 2019 Student Body General Election, which is available online at unh.edu/student-senate.

Name of your Organization

Please fill in the name of the candidate(s) you wish to endorse.

Note: You do not have to endorse for every position, i.e. you may leave one-row blank, but you must endorse candidates for SBP/VP together as a ticket.
