HONORARY DEGREE

Martin Klein

Martin Klein was a senior at the Massachusetts Institute of Technology in 1962 when he first experimented with the technology that would result in him becoming known as “the father of side scan sonar” — technology that has been used in underwater searches to locate the USS Thresher, the first nuclear submarine to be lost to the ocean’s depths, the RMS Titanic shipwreck, whose location his expertise and side scan sonar design pinpointed, and the wreckage of the space shuttle Challenger, among others.

In 1967, after working at defense contractor Edgerton, Germeshausen, and Grier, Klein founded Klein Associates (now Klein Marine Systems) in the basement of his rented cottage in Lexington, Massachusetts, before moving it to Salem, New Hampshire, the following year.

Klein Marine Systems, the world’s leading supplier of side scan sonar equipment and waterside security and surveillance systems, is a founding member of the UNH Center for Coastal and Ocean Mapping Joint Hydrographic Center. Klein has a long history of service to the UNH engineering technology department, once located on the Durham campus, UNH Sea Grant, and UNH’s early efforts in the fields of ocean engineering and autonomous underwater vehicles.
Yvonne P. Goldsberry has been president of the Endowment for Health (EFH), a nonprofit foundation dedicated to improving the health of New Hampshire residents, since September 2015. During the last 20 years, EFH has awarded more than 1,300 grants totaling more than $50 million to support a wide range of health-related programs and projects.

Before joining EFH, Goldsberry served as vice president of population health and clinical integration for Cheshire Medical Center/Dartmouth Hitchcock Keene. She is known as the architect of the nationally recognized Healthy Monadnock, a regional partnership of community leaders united in the goal of improving community health in the Monadnock region.

Goldsberry has previously served at the N.H. Department of Health and Human Services, Keene’s Home Healthcare Hospice and Community Services, the Washington Business Group on Health and the George Washington University Center for Health Policy Research. She also is on the UNH Carsey School of Public Policy advisory board and the board of directors of Goodwill Northern New England, represents New Hampshire on the Federal Reserve Bank of Boston Community Development Advisory Council, and serves as a corporator of the New Hampshire Mutual Bankcorp.
GRANITE STATE AWARD

Rogers J. Johnson ’99G, Civil Rights Leader (posthumous)

Rogers J. Johnson entered public service in 2001, serving as a New Hampshire state representative from then until 2006. During that time, he became the state’s first Black House Majority Whip, was awarded the Black America’s Political Action Committee Leaders of Tomorrow Award (2004), the New Hampshire Healthcare Association award for Long Term Care Services (2003), and the New Hampshire Business Council recognition of support of small business (2003).

He was then asked by former President George W. Bush to become director of Intergovernmental Affairs for the U.S. Department of Education, under Secretary Margaret Spellings, a position he held until 2009.

Returning to New Hampshire, he filled numerous roles, including policy advisor and speechwriter for various political campaigns. Most recently, he was treasurer of the New England Conference of the NAACP, working tirelessly on efforts that included passing key legislation for vulnerable populations and helping law enforcement authorities address systemic injustices experienced by minority-based populations. In 2014 he was awarded the Seacoast NAACP’s Freedom Fighter Award.

To the University of New Hampshire Class of 2021:

Congratulations on earning your degree from the University of New Hampshire! Your academic achievement is something that you will be proud of for your lifetime. Whether your next step is entering a career track or pursuing advanced specialization in your field, the education you have received from UNH provides you with critical knowledge and skills that will serve you no matter what direction your journey takes you. The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your community of Durham, New Hampshire. We encourage you to carry on this tradition of engagement in the future — in the communities you serve and as members of the University of New Hampshire Alumni Association.

The USNH Trustees would also like to acknowledge the families of UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

And finally, we encourage you to reflect upon the dreams and aspirations that brought you to UNH, and to seek out and to excel at the many opportunities that lie ahead.

With all good wishes,

Congratulations UNH Graduates…
Welcome Wildcats!

Congratulations to the Class of 2021 and welcome to “UNH for a lifetime!” Today you join the ranks of more than 140,000 alumni worldwide as part of an exclusive network that will provide you lifelong social and professional enrichment.

Enjoy this special day! You’ve earned it. Celebrate now, and enhance our Wildcat world in the days to come by staying in touch and sharing your journey as an inspiration to others. Remember, every day is a great day to be a Wildcat!
The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN
The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS
Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS
Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:
Agriculture — Maize
Arts, Letters, Humanities — White
Business Administration — Light Brown
Education — Light Blue
Engineering — Orange
Forestry — Russet
Law — Purple
Library Science — Lemon
Music — Pink
Philosophy — Dark Blue
Public Health — Salmon Pink
Science — Golden Yellow
Theology — Scarlet

Gold and White Cords
Gold cords are worn by UNH Presidential Scholars, seniors graduating with a cumulative grade-point average of 3.85 or higher. White cords are worn by University Scholars, seniors graduating with a cumulative grade-point average between 3.5–3.84 (3.5-4.0 for Associate Degree candidates).

MILITARY HONOR CORDS
Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

UNIVERSITY MACE
The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. Tradition dictates that it be carried by the chief faculty marshal in academic processions. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION
The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS
The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the procession by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.
Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow'r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where'er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

H. F. Moore, Class of 1898

Land Acknowledgement

As we all journey on the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki and Wabanaki Peoples have maintained to N'dakinna (homeland) and the aki (land), nibi (water), lolakwikak (flora) and awaasak (fauna) that the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the university’s responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the ambassadors who served as hosts for today’s ceremony.
