Laura Knoy is one of New Hampshire’s most well-known journalists. The founding host of New Hampshire Public Radio’s The Exchange, Knoy interviewed hundreds of local and national newsmakers and provided in-depth coverage of the news, politics, and the arts. The show had more than 100,000 listeners in New Hampshire and across New England. In 2007, the New Hampshire Association of Broadcasters named her New Hampshire Broadcaster of the Year.

Knoy is a respected speaker and moderator, known for ability to navigate challenging conversations and politely pose difficult questions. In 2021, she stepped down from the host’s chair of The Exchange to pursue other interests. She is the Director of Community Engagement at the Rudman Center at UNH Franklin Pierce School of Law, as well as the host of two podcasts: ReadLocalNH and Beyond Your Balance Sheet. Knoy is also a fitness instructor and lifeguard at her local YMCA–posts that she says often call upon her experience as a moderator and conversation starter.

Knoy received her degree in international affairs from George Washington University. An avid reader and writer, she is at work on her first novel, The Shopkeeper of Alsace, a work of historical fiction.
Deo Mwano is a nationally-recognized speaker, storyteller, and social impact innovator. As the CEO, managing principal, and founder of the Deo Mwano Consultancy (DMC), he has helped businesses, schools, non-profits, and individuals around the world build authentic relationships, maximize their positive impact, and make a difference in their communities. DMC is a leader in school integration for performing and visual arts as a method of igniting audience participation and ownership.

Mwano came to New Hampshire in 2000 when his family fled tragedy and civil war in the Democratic Republic of Congo. Since then, he has shared his family’s incredible story of perseverance on Dancing with the Stars, The Moth, NHPR’s Word of Mouth, and other platforms. By using his gifts as a storyteller, motivational speaker, performing artist, and leader, he has inspired others in New Hampshire and around the world to express themselves, discover their selfworth, and pursue their potential.

His career has taken him from classrooms and boardrooms and everywhere in between, with roles at the U.S. State Department, educational institutions, and a number of startups. He was named as an emerging leader in the 40 Under 40 in New Hampshire’s 2016 class and was a graduating member of Leadership New Hampshire’s class of 2017. He has been welcomed at Yale University, Dartmouth College’s Campus Services Division, TEDxAmoskeag Millyard, the Ethiopian Community Development Council, as well as many other organizations and events.

TO THE GRANITE STATE COLLEGE AND THE UNIVERSITY OF NEW HAMPSHIRE CLASS OF 2023:

Congratulations on earning your degree from Granite State College and the University of New Hampshire! Your academic achievement is something that you will be proud of for your lifetime. Whether your next step is entering a career track or pursuing advanced specialization in your field, the education you have received from GSC and UNH provides you with critical knowledge and skills that will serve you no matter what direction your journey takes you. The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at GSC and UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your campus communities. We encourage you to carry on this tradition of engagement in the future—in the communities you serve and as members of your Alumni Association.

The USNH Trustees would also like to acknowledge the families of GSC and UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

And finally, we encourage you to reflect upon the dreams and aspirations that brought you to GSC and UNH, and to seek out and to excel at the many opportunities that lie ahead.

With all good wishes,
Alexander J. Walker, Chair

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN
The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS
Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS
Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:
Agriculture — Maize
Arts, Letters, Humanities — White
Business Administration — Light Brown
Education — Light Blue
Engineering — Orange
Forestry — Russet
Law — Purple
Library Science — Lemon

MILITARY HONOR CORDS
Red, White and Blue Honor Cords are worn by graduating veterans in recognition of their service to our country.

UNIVERSITY MACE
The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION
The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS
The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N’dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University’s responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the ambassadors who served as hosts for today’s ceremony.
The University is part of the University System of New Hampshire.
