Alyson McGregor ’95, MD MA FACEP is the Associate Dean of Clinical Faculty Affairs & Development and a Professor of Emergency Medicine at the University of South Carolina. The co-founder of the Sex and Gender Women’s Health Collaborative and a nationally-recognized physician, researcher, and writer, she is an advocate for better healthcare for women.

McGregor graduated from the University of New Hampshire in 1995. She received her medical degree at Boston University School of Medicine and completed her residency training at the Warren Alpert Medical School of Brown University. During her time at Brown, McGregor’s experience as an emergency physician prompted her to research how and why medical treatment differs for women compared to men. At Brown, she co-founded and directed the Sex and Gender in Emergency Medicine Division from 2010 to 2021.

McGregor brought her research to audiences around the world through her TEDx Talk, “Why Medicine Often Has Dangerous Side Effects for Women,” and her 2020 book, “Sex Matters: How Male-Centric Medicine Endangers Women’s Health and What We Can Do About It.” Her work has challenged long-held medical assumptions, changed the way drugs are tested and providers offer treatment, and has empowered women to advocate for and make informed decisions about their health care.

Academic Regalia

The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

GOWN
The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor's, the master's, and the doctor's. The bachelor's and the master's gowns are untrimmed. The doctor's gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH's 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

CAPS
Caps are normally black. The tassel is worn on the right side until the bachelor's degree is conferred; then the tassel is worn on the left.

HOODS
Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

Some of the major areas are listed below:
- Agriculture — Maize
- Arts, Letters, Humanities — White
- Business Administration — Light Brown
- Education — Light Blue
- Engineering — Orange
- Forestry — Russet
- Law — Purple
- Library Science — Lemon
- Music — Pink
- Philosophy — Dark Blue
- Public Health — Salmon Pink
- Science — Golden Yellow
- Theology — Scarlet

UNIVERSITY MACE
The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION
The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS
The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.
Alma Mater

New Hampshire, alma mater,
All hail, all hail to thee!
Behind thee tow’r the mountains,
Before thee roars the sea.
Thy sons and daughters ever
Thy praises loud will sing.
New Hampshire, alma mater,
Accept our offering.

We love thee, old New Hampshire,
And to the White and Blue,
Where’er our work shall call us,
We always will be true.
We’ll ever guard thy honor,
Bright shall thy mem’ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N’dakinna (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University’s responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the ambassadors who served as hosts for today’s ceremony.
The University is part of the University System of New Hampshire.
