HONORARY DEGREE

Tim Collins is the founder and CEO of EBSCO Information Services, the leading online research service for educational institutions and public libraries.

Collins was still a student at UNH when he co-founded Popular Magazine Review, a company specializing in indexing and abstracting periodical information, in 1983. That company was purchased by EBSCO Industries, Inc. in 1987, just two years after Collins graduated from UNH. Since then, Collins has overseen EBSCO’s growth from a niche print index provider to one of the world’s largest internet research services.

His leadership has been recognized by a number of organizations. In 2015, he received the National Federation of Advanced Information Services’ prestigious Miles Conrad Award. In 2012, the North Shore Chamber of Commerce named him a Distinguished Leader, and he was also named to the inaugural North Shore 100, a list of the top business leaders in Massachusetts’ North Shore. Collins is a committed environmentalist and has spearheaded EBSCO’s efforts to install solar panels, convert its fleet of cars to hybrid vehicles, and add electric car charging stations to the company’s campus. He is also a collector of American historical artifacts. Items in his collection span from the Revolutionary War to the Civil Rights eras, and he tours and lends his collection to schools.

Collins was inducted into the UNH Entrepreneur Hall of Fame in 2021 and the Collins Career and Resource Center at the Paul School of Business and Economics is named for him. He continues to pass on his business knowledge as an adjunct instructor at the Paul College.

Congratulations on earning your degree from the University of New Hampshire! Your academic achievement is something that you will be proud of for your lifetime. Whether your next step is entering a career track or pursuing advanced specialization in your field, the education you have received from UNH provides you with critical knowledge and skills that will serve you no matter what direction your journey takes you. The Trustees of the University System of New Hampshire congratulate you on your success and extend our continued good wishes as you enter a new chapter of personal and professional accomplishment.

The faculty and staff at UNH have eagerly sought ways to help you find opportunities to become connected to campus life and to your community of Durham, New Hampshire. We encourage you to carry on this tradition of engagement in the future—in the communities you serve and as members of the University of New Hampshire Alumni Association.

The USNH Trustees would also like to acknowledge the families of UNH graduates for the many ways they have demonstrated their support for you. We understand how important that support is to your success and the commitment it requires. Whether you are a traditional or non-traditional-age student, a graduate student, a veteran, or a first-generation student, the role family and friends play cannot be overestimated.

And finally, we encourage you to reflect upon the dreams and aspirations that brought you to UNH, and to seek out and to excel at the many opportunities that lie ahead.

Enjoy this special day! You’ve earned it. Celebrate now, and enhance our Wildcat world in the days to come by staying in touch and sharing your journey as an inspiration to others. Remember, every day is a great day to be a Wildcat!
The tradition of academic regalia dates back to the Middle Ages. There has been some variation through the years, but today the American academic costume is governed by a generally accepted code.

**GOWN**
The gowns vary somewhat in design depending upon the academic degree they represent. There are three standard gowns: the bachelor’s, the master’s, and the doctor’s. The bachelor’s and the master’s gowns are untrimmed. The doctor’s gown is faced with velvet down the front. Three velvet bars adorn each sleeve. In recognition of UNH’s 150th Celebration, the university debuted a new gown in 2016 based on the primary institutional color. The gown features the university seal. Gowns, hoods and caps of foreign universities usually are distinctive and do not comply with the American Academic Costume Code.

**CAPS**
Caps are normally black. The tassel is worn on the right side until the bachelor’s degree is conferred; then the tassel is worn on the left.

**HOODS**
Hoods are indicative of an advanced degree. The lining shows the color of the college or university granting the degree, and the trimming represents the field in which the degree is granted.

UNIVERSITY MACE
The university mace is commonly used at formal academic ceremonies to symbolize the authority universities have to grant degrees and maintain high educational standards. The University of New Hampshire mace, a 1983 gift of the Carolinas Club, is silver with a hammered texture. Its torch-like, tapered body features three silver seals including those of the state of New Hampshire, the town of Durham, and the University of New Hampshire, and is embellished with chips of granite.

ACADEMIC MEDALLION
The University of New Hampshire academic medallion is silver and features the university seal. It is worn by the president of the university as a symbol of office.

UNIVERSITY FLAG AND COLLEGE BANNERS
The principal banner for academic ritual is the university flag. This is always fixed and displayed on the platform. The college banners are carried in the processional by the class marshals. Traditionally, the class marshals are selected by the deans and directors of the colleges and schools on the basis of academic achievement and contributions to their class.

We love thee, old New Hampshire,
And to the White and Blue,
Where’er our work shall call us,
We always will be true.
We'll ever guard thy honor,
Bright shall thy mem'ry be.
New Hampshire, alma mater,
All hail, all hail to thee!

Land Acknowledgement

As we all walk the trail of life, we wish to acknowledge the spiritual and physical connection the Pennacook, Abenaki, and Wabanaki Peoples have maintained to N’da kin na (N-DAH-kee-nah) and the aki (land), nibi (water), lolakwikak (flora), and awaasak (fauna) which the University of New Hampshire community is honored to steward today. We also acknowledge the hardships they continue to endure after the loss of unceded homelands and champion the University's responsibility to foster relationships and opportunities that strengthen the well-being of the Indigenous People who carry forward the traditions of their ancestors.

The Commencement Committee wishes to thank all of the ambassadors who served as hosts for today's ceremony.
The University is part of the University System of New Hampshire.
