

## **Discovery Committee Minutes, February 11, 2015 - DRAFT**

**Present:** Barb White, Amy Cunningham, Dan Beller-McKenna, Wayne Fagerberg, Rosemary Caron, Barbaros Celikkol, Todd DeMitchell, Willem deVries, Matthew Larson, Stephen Pugh (by phone), Andy Colby, Jerry Marx

**Absent:** PT Vasudevan, Dan Carchidi, Norma Bazylinski, Bill Ross, Sanjeev Jha

### **The Committee took the following action:**

#### **Minutes**

Minutes of the meeting of December 10, 2014 were reviewed. **Minutes approved.**

#### **Course Review**

##### **COLA**

ANTH 440H – *Medicine & Culture: Science, Technology and the Body* – ETS (new course, Honors only).  
**Course approved.**

#### **Student Petitions**

Student petition requesting that transfer course accepted as meeting DISC category also fulfill their INQ requirement. In this case, an exception was made. **Petition approved.** (ttCEPS020315)

### **The Committee discussed the following:**

*University Dialogue topics for AY15-16 & 16-17* – Amy presented the theme of community, equity, and diversity for the AY2015-16 Discovery Dialogue. The DC affirmed this topic/theme. Amy is continuing to solicit topic title ideas and will keep the DC informed.

For AY16-17, Discovery has been asked that the dialogue theme be on the UNH sesquicentennial. The DC affirmed this topic/theme for AY2016-17.

*Update on DISC 5-year review* – Barb reported that the survey developed by the 5-year review committee has received almost 900 responses to date. Steve Pugh asked that we confirm that UNHM staff and students had been sent the survey. Barb and Amy were confident that this had been done. Amy will follow up to confirm.

**Meeting adjourned at 1:35 pm**  
**Submitted by Amy Cunningham**
