

UNH FACULTY SENATE
COMMITTEE MOTION # III-M5

1. Faculty Senate Committee: Campus Planning Committee.
2. Committee Chairperson: Elizabeth Dolan.
3. Date of Faculty Senate Discussion: 3/8/99.
4. Committee/Administrator Responsible for Implementation Senate Campus Planning Committee
5. Motion:

Resolved that the senate admits that expansion of campus west across the railroad tracks, the two railroad underpasses, and the loop road concept are unavoidable over the long term. The senate goes on record as recommending that the Loop Road be routed to avoid serious or lasting damage to College Woods, even at the cost of partial loss of the athletic fields. The senate also recommends that the Master Plan include restoration or mitigation of previously filled wetlands bordering College Woods wherever possible.
