

UNH FACULTY SENATE
MOTION # V-M3

1. Faculty Senate Committee: Agenda Committee.
2. Committee Chairperson: Jerry Finn.
3. Date of Faculty Senate Discussion: February 19, 2001.
4. Committee/Administrator Responsible for Implementation: _____.
5. Motion:

Be it resolved that the Faculty Senate recognizes, endorses, supports and greatly appreciates the Administration's efforts on both the Capital Campaign and the Knowledge Economy Education Plan for New Hampshire (KEEP). The Capital Campaign (with a focus on student scholarships, faculty support, academic programs, and learning tools/technology) and KEEP New Hampshire (with a focus on improvements to science, engineering, high technology, and other capital projects across the system) combine to strengthen the entire mission of the university.

6. Rationale:

The efforts of the Administration and Trustees in securing funding for both capital and non-capital system projects are evidence of a commitment and new direction for fiscal stability and growth. In order to better serve the interests of its students and the communities of New Hampshire, the expended energies are directed at improving the already high quality of the University programs while also improving the facilities and environment.

7. Senate Action: passed 2/19/01 Vote: 15 ayes, 5 nays, 4 abstentions
