

UNH FACULTY SENATE
MOTION # XII-M13

University Calendars for Five Years

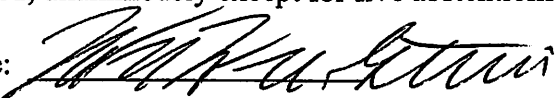

1. Motion presenter: Ruth Sample
2. Date of Faculty Senate discussion: 4/21/08
3. Rationale:

The administration has presented for approval five years of university calendars, covering academic years 2009/10 through 2013/14. Members of the Agenda Committee have reviewed the calendars, to see if they comply with the senate's calendar guidelines. The review found only minimal deviations, which appeared to be necessary due to a lack of available days in some semesters. Therefore in some cases the reading days were slightly shortened.

4. Motion:

The Faculty Senate approves the 2009/10 through 2013/14 university calendars.

5. Senate action: passed, unanimously except for five abstentions
