2. Date of Faculty Senate discussion: 3/10/08
3. Motion:

Dean Marilyn Hoskin of the College of Liberal Arts will be retiring from the University of New Hampshire at the end of the academic year. Dean Hoskin came to UNH in 1995 and has been an important member of the university community for thirteen years. She has worked effectively with multiple university constituencies, and she has served her college very well. Through her vigorous support of the liberal arts, she now leaves behind a very strong College of Liberal Arts. She has been deeply involved in fulfilling the university mission; and she has earned the utmost respect of her colleagues, who will also remember her wry humor. The Faculty Senate would like to thank her for her years of service, congratulate her on her achievements, and wish her the best on her pursuits beyond retirement.
