

UNH FACULTY SENATE
MOTION # XIX-M11
on rewording language on teaching evaluation form for online courses

1. **Motion presenter:** Barbara White, representing the Senate ad hoc Committee on Teaching Evaluation Form Implementation
2. **Date of Faculty Senate discussion:** 4/13/15, 4/27/15
3. **Motion:** The committee recommends that the majority of the teacher/course evaluation question set currently utilized by the University continue to be used for all UNH courses, with the following alterations;

Question 4: "Was well Prepared for Class"; Question 6: "Encouraged discussion/and or questions" and Question 10: "Was available to students outside of class" each remain unchanged for all face to face and hybrid classes, but that the language be altered as needed for eUNH and other online courses.

4. **Rationale:** After reviewing the survey undertaken by the 2011/12 Ad Hoc Committee on Teacher Evaluations, and the feedback gathering efforts by the 2012/13 Ad Hoc Committee on Teacher Evaluation Implementation, the current committee concluded that there are certain questions that are not directly applicable for online courses in their current form. The committee would seek to have these questions reviewed and altered as needed by eUNH and other online programs in such a way to remain reasonably consistent with the question set asked of all UNH students.

5. **Motion passed with 39 votes in favor, none opposed, and 3 abstentions.**
