

UNH FACULTY SENATE  
MOTION # XX-M2

on changing the language on the university website for Honors Convocation

1. Motion presenter: Scott Smith, chair of FS Academic Affairs Committee
2. Dates of Faculty Senate discussion: 9/28/2015
3. Rationale: The current language on the university website states that students need to be “currently enrolled and matriculated” to be recognized at any level (University Scholar, Presidential Scholar, Honors Program University Scholar and Honors Program Presidential Scholar). This prevents students who graduate in September or December from participating in the ceremony.
4. **Motion: We move that the language “currently enrolled and matriculated...” should be changed to read “currently enrolled and matriculated students, or those who have graduated in the previous September and December terms”.**
5. **Senate action: It was moved and seconded to suspend the rules on this motion so that it could be voted on today. That motion passed unanimously with no abstentions. The original motion was then put to a vote and passed unanimously with no abstentions.**
