Sample Honors Designation Contract

The University Honors Program strongly recommends that a contract similar to this one be completed before the student submits the Honors Designation Form to the Registrar during the Drop/Add period. The University Honors Program also recommends that both student and faculty member keep copies of this contract.

Student Name (Signature): ___________________________________________
Student Name (Print): ______________________________________________
Course No./Title: _____________________________ Section: ____Credits__
Instructor Name (Signature): _________________________________________
Instructor Name (Print): _____________________________________________
Semester/Year: _____________________________________________________
Student Rank: FR SO JR SR (circle one)

What are the honors components of the course? How do they extend or deepen the honors student's learning experience in the non-honors course? Will honors assignments replace regular assignments?

What is the process by which student and faculty member maintain regular review, discussion, and ongoing assessment of the honors portion of the work? Please provide tentative dates and deadlines.

How will the honors work be assessed in relation to the non-Honors portion of the coursework?
