Dec. 4, 2019

Dear Campus Residents and others:

A plowing operation of the core campus resident parking lots is planned for Thursday evening starting at 9:00 p.m., and continuing into the Thursday-Friday (Dec. 5-6) overnight.

The following parking lots are closed starting at **9:00 p.m. on Thursday, 12/5:**

- Gables
- Woodside
- Resident East (E, E1, E2 lots)

Also closed for plowing are the following areas:

- Lot A, Section 4 (sections 1-3 will be available for relocation parking, see below).

All vehicles must be out of these areas by **no later than 9:00 p.m. on Thursday, Dec. 5,** or risk being towed.

Other resident lots (West Edge, Mast Road/Mathes, etc.) will be scheduled for plowing on another occasion.

**RELOCATION PARKING** is available between 6:00 p.m. Thursday, 12/5 and 7:00 a.m. on Friday, 12/6 in any non-reserved parking space elsewhere on campus. Options include faculty/staff lots such as Lots B, D, F, etc. Metered areas will be enforced their usual hours, so lots like Campus Crossing, Edgewood, or College Road Visitor lots, etc. will require payment until 9pm. The Winter Parking Ban that ordinarily restricts parking in these relocation areas will be suspended for this occasion. (Reserved spaces, e.g. departmental spaces, load zones, handicap spaces, etc.; no parking areas, e.g. fire lanes, undesignated areas, etc.; and Town of Durham spaces are **not** available for relocation parking.) **Normal permit requirements in relocation lots resume at 7:00 a.m. on Friday, 12/6,** so move your car out by then or risk standard enforcement. You can move your car back to your assigned lot as soon as the plowing crews have finished with it.

Please call 862-1010 if you have any questions.

Sincerely,

UNH Transportation Services
