

SOCIAL WORK

What can I do with this major?

AREAS

EMPLOYERS

DESCRIPTIONS/STRATEGIES

PUBLIC WELFARE

Administration and Planning
Case Management
Program Evaluation
Policy Development
Research
Supervision

Public welfare agencies
Private social service agencies
Local, state, and federal government including:
Department of Human Services
Department of Education
Housing Services
Adult Protective Services
Veterans Administration
Indian Health Services
Administrative agencies
Job Corps
Head Start
State legislatures

Public welfare is designed to provide services and support for poor, disabled, ill, elderly, or juvenile clients.

Volunteer at homeless shelters, soup kitchens, battered women homes, literacy programs, or other social service agencies to get experience.
Supplement curriculum with course work in areas such as public relations, advertising, accounting, or management. Consider earning a business minor.
Gain management experience through internships, part-time employment, or leadership in relevant student organizations.
Complete an internship with a government agency. Learn about the government application process and apply early as the process can take at least four to six months.
Four out of ten social workers work for the government.

SCHOOL SOCIAL WORK

Counseling
Case Management
Pupil Personnel Services
Student Advocacy
Instruction
Assessment
Referral

Elementary and secondary schools
School districts
Head Start centers
Early intervention programs

School systems may employ social workers to help students cope with and resolve emotional, developmental, or educational difficulties.

Gain experience with children at daycare centers, camps, Boys and Girls Clubs, and the like.
Volunteer with organizations like Big Brothers Big Sisters.
Obtain state certification for work in a school. Research requirements in your state.
Plan to collaborate with multidisciplinary teams including teachers, school counselor(s), school administrators, therapists, and others.

AREAS

EMPLOYERS

DESCRIPTIONS/STRATEGIES

INTERNATIONAL SOCIAL WORK CONT.

Develop good working knowledge of international humanitarian law.
Demonstrate your depth of dedication, willingness to adapt, and coping mechanisms to combat stress and difficult situations.
Develop skills in the areas of organizing groups, efficiency, and the ability to calm people.
Consider earning a graduate degree in Social Work or related area to open more advanced job opportunities.

GENERAL INFORMATION

- Bachelor of Social Work (BSW) prepares individuals for entry-level direct practice.
 - Master of Social Work (MSW) is necessary to provide therapy and for advancement to supervisory or administrative positions.
 - Doctorate in Social Work (DSW) or Ph.D. usually required for positions in teaching, research, and administration. Advanced degrees are desirable for some clinical positions and private practice.
 - Complete a degree from a college or university program accredited by the Council on Social Work Education. Programs include practical field experience.
 - Most states require licensure, certification, or registration. Contact the state board directly or the American Association of State Social Work Boards (ASWB) for information.
 - The National Association of Social Workers (NASW) offers many specialized credentials that Social Workers can earn. Research these options after choosing a speciality area.
 - The field practicum is used to determine suitability for this profession and to provide exposure to various practice settings and clients.
 - Candidates should possess empathy for others, an appreciation for diversity, and an interest in social change.
 - Social workers serve a range of client systems (individuals, families, groups, communities) as they attempt to enhance social functioning.
 - Social work is unique given its dual focus on the person and the environment.
 - Join a social work organization while in school and seek leadership positions.
 - Look for ways to impact your community and get involved with local organizations and issues.
 - Update your resume as you acquire new accomplishments, skills, knowledge, and interests.
 - Learn a second language to better communicate with immigrant or migrant populations (particularly helpful in certain areas of the United States).
- Note: Much of this information was adapted from Choices: Careers in Social Work by the National Association of Social Workers.
