Partner Your Industry with

The UNH Career Center

The UNH Career Center is your connection to well-educated, enthusiastic students and recent graduates seeking internships and full-time roles within your organization. We are committed to assisting employers with their campus recruiting efforts and will do everything we can to ensure students are made aware of the benefits of joining your team.

How We Help Students

We are a full-service professional development office where students and alumni are able to meet with advisors and attend workshops in order to assist them in accomplishing their career goals. One-on-one services include:

• Career Exploration
• Interests Assessments
• Resume & Cover Letter Writing
• Interviewing
• Networking
• Job and Internship Hunting …And More!

Posting Jobs and Internships for Students & Recent Grads

Wildcat Careers is our FREE job board that allows employers to:

• Post internships and entry level positions
• Recruit current students or recent grads
• View resume books
• Request on-campus recruiting opportunities
• Setup on-campus interviewing schedules

Annual & Bi-Annual Recruiting Events

• Career & Internship Fairs (Spring & Fall) - Each fair hosts more than 170 companies and attracts 1,300+ students and alumni
• Veterans Career & Resource Fair (Fall) - Open to all Veterans and Service Members (open to the public)
• Resume Review Day (Spring & Fall) - Employers meet one-on-one with students to provide them with resume feedback
• Mock Interview Day (Spring) - Allows your organization to conduct formal practice interviews one-on-one with students

Getting Involved on Campus

There are a number of ways to help promote your organization by visiting or getting involved on-campus. Below are just some of the options that we offer:

• Interviewing On-Campus - Interview applicants right on-campus using rooms in our building
• Holding Information Sessions – Reserve a table, room, or host an event to connect with students
• Attending Networking Events – Throughout the year we host on-campus networking events where employers and students can meet and hear about what the other does/is looking for
• Join UNH Pathways Mentor Program – Are you or one of your staff a UNH graduate? The Pathways Mentoring Program connects current students with alumni in their field to help students navigate their post-UNH world, build career networks, and develop skills to become better professionals and leaders.
